To ensure correct paint color matching and the ability to acquire 1998-1999 Daewoo paint from your local supplier, we have compiled a list of paint codes for Daewoo paint colors from a number of the most predominant U.S. paint suppliers.

When ordering paint from your local supplier, please use the corresponding paint code for the Daewoo paint color and paint brand you are purchasing.

You may forward questions to the Daewoo Technical Assistance Center at **(877) DMA-1234** or to your paint manufacturer's representative. A list of paint manufacturer contacts is provided on page 3 of this bulletin.
